

## **Public Information Act Request – Costs of Copies, Access, and Inspection**

The Department may charge you for certain copies of and access to public information, if your request results in any electronic copies or more than fifty pages of printed copies. If the Department determines that charges will exceed \$40.00, the Department will provide you with a written itemized statement of estimated charges before any work is undertaken. The Texas Attorney General has provided [this online model](#) in order to assist the public and governmental bodies in determining estimates for these charges.
